PROFESSIONAL SUMMARY

Aspiring Full-Stack Developer from Bangladesh with hands-on experience building responsive web applications using Next.js, React, TypeScript, and Tailwind CSS. Experienced in developing interactive user interfaces and practical projects, including a fitness workout application and a personal portfolio website. Passionate about learning modern web technologies and growing through real-world software development experience.

TECHNICAL SKILLS

- **Languages:** HTML5, CSS3, JavaScript (ES6+), TypeScript
- **Frontend:** React.js, Next.js (App Router)
- **Styling:** Tailwind CSS, DaisyUI
- **Backend:** Basic Knowledge of Node.js, Express.js, REST APIs
- **Database:** Basic Knowledge of MongoDB
- **Tools:** Git, GitHub, VS Code
- **Libraries:** Lucide React

PROJECTS

FitLog – Dark-Themed Gym Companion Web App

Technologies: Next.js, TypeScript, Tailwind CSS, DaisyUI

- Developed a responsive gym companion application featuring a library of 12 workout exercises.
- Displayed muscle groups, equipment, estimated duration, calories, and ratings.
- Implemented workout planning and saving functionality with live Plan and Saved counters.
- Added tracking features for exercises, workout duration, and estimated calories burned.

Live Demo: https://fitlog-app-pi.vercel.app/

Personal Developer Portfolio Website

Technologies: Next.js 16.4.5, React, TypeScript, Tailwind CSS, Lucide React

- Developed a personal portfolio website using Next.js App Router.
- Built reusable React components to organize About, Skills, and Projects sections.
- Used TypeScript to structure project data.
- Created a responsive interface using Tailwind CSS.
